RUSH OFFERS YOU THE BEST OF BOTH WORLDS. PRACTITIONER/ TEACHER.

Providing the best in patient care and the best in education—as a Practitioner/Teacher at Rush University's College of Nursing, you're the vital link between these two interdependent aims. You make them realities, in theory and in practice; and you reap the many professional rewards of serving as both faculty member and as a practicing nurse on the staff of one of seven clinical nursing departments.

As one of the nation's leaders in health care, Rush has more opportunities for professional growth and accomplishment to offer you. Teaching and serving as a behavioral model for both nursing and medical staff . . . you will propose and conduct nursing research. If you're an exceptional master's prepared nurse, being a Rush Practitioner/Teacher offers you exceptional career scope; plus involvement in an innovative, well-established practice of primary nursing.

Discover what Rush and Chicago have to offer you. Find out about our excellent salary and full benefit package including comprehensive insurance programs, four weeks paid vacation and relocation allowance . . . As well as current opportunities for faculty appointments. Qualified MSN's are invited to call Jean Mason Kaufman, Chairperson, Pediatric Nursing at (312) 942-6401. Or send resume to: Jean Mason Kaufman, Chairperson, Pediatric Nursing, Rush-Presbyterian-St. Luke's Medical Center, 1725 West Harrison Street, Chicago, Illinois 60612.
